Eligibility

The SPQT Test is open to all individuals. By registering, participants confirm details are accurate. False information or misconduct may lead to disqualification.

Test Conduct

Participants must attend the test at the scheduled date and time. Failure to appear results in fee loss. Stable internet and device setup are the participant's responsibility. Any malpractice, impersonation, or misuse will cancel participation without refund. The organizers may change the format or rules if needed.

Registration & Fee

A fee of ₹99/- (non-refundable) confirms participation. This covers only administration and evaluation costs. Payment does not guarantee selection, shortlisting, internship, or employment. Organizers are not responsible for failed or incorrect payments.

Evaluation & Results

All responses are fairly evaluated. The scoring process is confidential and final. No re-checking or disputes will be

entertained.

Selection Policy

Selection is merit-based and depends on internal standards. The organizers reserve the right not to select any participant if criteria are unmet. No personal requests or appeals will be considered.

Refund Policy

The ₹99/- fee is strictly non-refundable and non-transferable, regardless of withdrawal, absence, non-selection, technical issues, or participant error.

Result Notification Policy

Results will not be shared with all candidates. Only selected top performers, based on rank, will receive an email notification. Participants outside the top ranks will not get result communication.

Liability

The organizers are not liable for connectivity issues, device failures, or disruptions beyond their control. Participation is at the candidate's own risk.

Amendments & Jurisdiction

Terms may be updated without notice. By registering, participants agree to these conditions. All disputes fall under the jurisdiction of Indian courts only.
